

steel building the world

 **MARCEGAGLIA**

acciaio

- Coils, nastri
- Lamiere, lamiere da treno
- Tubi saldati in acciaio al carbonio
- Tubi strutturali formati a freddo
- Tubi per micropali
- Trafilati in acciaio al carbonio e inossidabile
- Tubi saldati e profilati a freddo in acciaio inossidabile austenitico e ferritico

steel

- Coils, strips
- Sheets, heavy plates
- Carbon steel welded tubes
- Structural cold formed hollow sections
- Tubes for micropiles
- Stainless and carbon steel cold-drawn bars
- Austenitic and ferritic stainless steel welded tubes and cold formed sections

Steel

tamponamento metallico

Pannelli coibentati

- Pannelli coibentati per tetto e parete, in poliuretano e lana minerale
- Pannelli coibentati fonoassorbenti

Elementi grecati

- Elementi grecati per parete e copertura
- Elementi grecati per solai metallici e per solai collaboranti

metal building envelope

Insulating panels

- Insulating panels for roof and wall (polyurethane and rock wool)
- Sound insulating panels

Trapezoidal corrugated sheets

- Trapezoidal corrugated sheets for walls and roofs
- Trapezoidal corrugated sheets for metal floors and collaborating floors

Metal building envelope

sistemi fotovoltaici

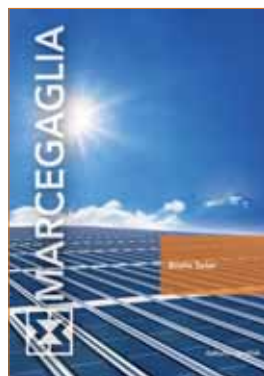

Sistema integrato per tetto fotovoltaico

- Pannelli coibentati fotovoltaici
- Lamiere grecate fotovoltaiche

photovoltaic systems

Integrated photovoltaic roofing system

- Photovoltaic insulating panels
- Photovoltaic corrugated sheets

Photovoltaic systems

profilati a freddo

cold formed sections

Metal building envelope

cantieristica edile

- Ponteggi
- Strutture temporanee
- Apparecchiature elettromeccaniche di sollevamento
- Puntellazioni
- Casseforme prefabbricate
- Recinzioni temporanee
- Sistemi per costruzioni navali

construction equipment

- Scaffolding systems
- Temporary structures
- Electromechanical lifting equipment
- Shoring systems
- Prefabricated formworks
- Enclosures
- Naval construction systems

Construction equipment

attrezzature per sport e spettacolo

- Tribune prefabbricate
- Impianti sportivi permanenti
- Coperture spaziali per grandi luci

sports and entertainment

- Grandstands
- Stadiums
- Large span roofing systems

Sports and entertainment

magazzinaggio

Sistemi per il magazzinaggio e la logistica

- Magazzino autoportante
- Magazzino automatico
- Magazzino compattabile
- Scaffalature porta pallet
- Scaffalature drive-in
- Impianti dinamici a rulliere
- Scaffalature pesanti
- Scaffalature leggere
- Cantilever pesante
- Cantilever leggero
- Leo® scaffale leggero in kit

storage systems

Storage systems and logistics

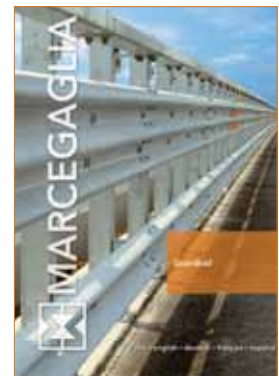

- Self-supporting warehouse
- Automated warehouse
- Compactable warehouse
- Pallet rack shelving
- Drive-in shelving
- Dynamic system on rolls
- Heavy shelving
- Light shelving
- Heavy duty cantilever
- Light duty cantilever
- Light shelving kit Leo®

Storage systems

guardrails

guardrails

Guardrails

Sedi e stabilimenti

Plants and sales offices
Werke und Verkaufsbüros
Usines et bureaux de vente
Establecimientos y sedes comerciales
